CHRISTY PRICE

Design Process: Squarespace Design Hacks

Christy has been working in web design for over 15 years and transitioned her business to focus solely on Squarespace in 2018. She builds websites, works with clients to level up their existing sites, and also enjoys sharing what she's learned with new and aspiring designers. Christy lives in a house on a hill outside Austin, Texas, with her husband and two Labrador retrievers (one naughty, one nice).

You can check out her services, templates and courses at...
